☐ Company maintains copies of all applicable codes related to the conveyances erected, constructed, installed, materially altered, tested, maintained, repaired or serviced by the company. All branch and field offices of the company in the State of California shall have these codes available for use by any CCCM employed by the company.

2. Certification Type

Applicant understands that this Certification does not release the applicant from obtaining any other license which may be required by the California State Licensing Board or any other agency.

☐ **General Certification.** This certification qualifies the applicant through their designated individual as a CQCC on all conveyances covered by California Labor Code, Part 3, Chapter 2. The application must be completed including endorsement by the company in Section 4 and submitted to the Division for processing.

Limited Certification. The applicant should check the appropriate box or boxes, complete the application including endorsement by the company in Section 3, and submit the application to the Division for processing. This certification limits the applicant through their designated individual as a CQCC on specific conveyances. Any company with limited certification that works on conveyances beyond those, for which the company has been certified, may risk losing the company's certification.
